NOVEMBER 2026 Newsletter

Dear St. Theodore Families,

This month we are reminded to remember those who have had an impact on our lives. So many have sacrificed themselves so we can live a better life. Our veterans, our saints like St. Francis and St. Theodore, and our Lord Jesus have shown us a way of life that is focused on others instead of ourselves. As we continue the journey with focus on Rooted in Faith, let us remember that in serving others, we are serving Him. Let us, above all, be kind to one another.

Best regards,
Mrs. Tammy Morrison

LEST WE FORGET

Lieutenant-Colonel John McCrae wrote *In Flanders Fields* in 1915. His words captured the grief, courage and hope felt by people around the world during the First World War. The poem still speaks to us more than 100 years later—across cultures, generations and languages. *One poem, many voices.*

A Heartfelt Thank You to Elder Joann!

We sincerely thank Elder Joann for joining us in commemorating **Orange Shirt Day** and sharing its important message with our students. Her presence and meaningful activities helped deepen our understanding of the significance of **Every Child Matters**, honouring the Indigenous children who attended residential schools, remembering those who never returned home, and recognizing the importance of truth, reconciliation, kindness, and respect. Thank you, Elder Joann, for making this day a memorable and meaningful learning experience for our students!

We are also delighted to share that Elder Joann will be spending time with our students from November through February, enriching their learning experiences by sharing her knowledge of the language, culture, traditions, and history of Indigenous Peoples. Through these meaningful interactions, students will have the opportunity to deepen their understanding and appreciation of Indigenous heritage and the land we share. We encourage families to ask their children about what they are learning.
