Dear Parents,

With September behind us and Thanksgiving just around the corner we have much to be thankful for.

We are settling into the routines of school and the many events that come with the start of a new school year. Take time to talk to your child about the things that go well at school and the things they still need help with. As we learn and grow with each other, we are constantly reminded that we are called to be the LIGHT for each other and to those we encounter along the way. We welcome you to come to our school events and share in all events. Wishing all a bountiful harvest and a Happy Thanksgiving.

Mrs. T. Morrison
