

Dear Families of St. Theodore School,

Due to the winter storm forecasted for today, Wednesday December 17<sup>th</sup> and extreme cold temperatures expected overnight and tomorrow, Thursday December 18<sup>th</sup> we regret to inform everyone that this year's Christmas Concert will be cancelled tonight and Community Potluck lunch will be held at the Theodore Rec Complex on **FRIDAY DECEMBER 19<sup>th</sup> 11:45 - 12:45pm.**

Students will also perform a version of the concert after the meal.

A recording of the Christmas Concert will be available on GOOGLE CLASSROOM for our families to watch and enjoy.

Although this was not an easy decision, the safety and well-being of our students, staff, and families must always remain our number one priority.

Thank you for your understanding, patience and continued support of our school, community and students.

Mrs. T. Morrison

Principal- St. Theodore School
