May 2026 Newsletter

Dear St. Theodore Families,

As we welcome the month of May, we are reminded that this is a time of growth, renewal, and celebration within our school community. With the snow finally melted and the warmer weather finally arriving, students are enjoying more outdoor learning opportunities and activities that support both their physical well-being and academic engagement.

May is a meaningful month being the Month of Mary, and we honor her and all mothers. It is also highlighted by Victoria Day on May 18, which offers a long weekend for families to rest and spend time together.

Our students will be actively engaged in spring learning, including literacy and numeracy development. We are excited to continue with outdoor activities and encourage students to come prepared for changing weather conditions. Please ensure your child has appropriate clothing for both cooler mornings and warmer afternoons. Throughout May, we also look forward to recognizing important themes such as Mental Health Awareness and kindness within our school. Supporting student well-being remains a top priority, and we encourage open conversations at home about feelings, resilience, and balance.

As always, we deeply appreciate the continued support of our families. Your involvement plays a vital role in creating a strong and nurturing learning environment for all our students.

Wishing you all a wonderful and productive month of May. Happy Spring and Happy Mother's Day!

Warm regards,

Mrs. Tammy Morrison

MAY IS THE MONTH OF MARY

WAYS TO HONOR MARY DURING THIS SPECIAL MONTH:

- Pray the Rosary privately, or communally 30 minutes prior to weekend Mass in May
- Say the Hail Mary Prayer throughout the day
- Create a Prayer Corner Place some representation of our Blessed Mother whether that be a photo, small statue, or Rosary beads. Surround it with flowers and candles. Each evening, take some time as a family to gather around the altar and recite the Rosary or say a few Hail Mary's.
- Bring Mary to the garden Many flowers you can find in your garden are named in honor of Mary. If you have an outdoor statue of Mary, plant flowers such as columbine and lily of the valley in the area around the statue. Anything you do, make it appealing and a real tribute to her beauty and virtue.
- Pay a visit to the Marian shrine at Rama.
- Introduce Mary Talk to your kids about Mary and the role she has in our faith. Ask them what they know about her, or what they have learned about her in school.
- Read a book about Mary
- Memorize a Marian prayer or hymn

GROWTH MINDSET

Helping children develop a growth mindset teaches them that abilities can improve with effort, practice, and learning from mistakes. This builds resilience, confidence, and a willingness to take on challenges, which supports both academic success and overall well-being.

FIXED MINDSET

GROWTH MINDSET

I already know it all	I want to learn
I give up easily	I welcome and learn from feedback
I ignore useful feedback	I learn from others
I can't change how smart I was born	I can train my brain
I don't need to practice	I can work hard to get better at something
I'll never be good at this	I will keep trying
Mistakes are bad so I avoid them	Mistakes are learning opportunities
I avoid things that require effort	I want to be challenged

Catholic Education Week

May 10 – May 17

World Catholic Education Day
ASCENSION THURSDAY, MAY 14

Christ the Teacher Catholic Schools celebrate the outstanding contributions to Catholic education provided by our students, staff, families, parishes, and the CTTCS Board of Education.

Catholic Education Week 2026 Prayer

God of grace and love,
strengthen and sustain us as we continue to
journey as pilgrims of hope.

Guide us on the path to holiness with the light of your love.

Inspire us to serve joyfully in the love of Christ
through the beautiful examples of the saints.

As we journey together in faith, may we experience
the peace of Christ through the presence of one another.

We pray that all young people in our Catholic schools
may believe, and become empowered by, these three
important Gospel messages:

“God loves you!”

“Christ saves you!”

“The Holy Spirit lives in you!”

We ask this through Christ our Lord.

Amen

On Thursday, May 14, students and staff will participate in special prayers and celebrations in recognition of World Catholic Education Day.
