April 2025 Newsletter

Dear St. Theodore Families,

We are well on our Lenten journey and the season of Easter is just around the corner. We look forward to all things new with the newness of spring, and life promised by our Heavenly Father. We take this season to consider what we can do to make ourselves and the world around us a better and more peaceful place. As we head into the final term of the school year, we are happy to celebrate another successful year of learning and growth. It was great once again for students to share their learning with their families. Thank you for taking time to meet with us. Have a lovely spring, take some time to enjoy the wonders HE has shared with us

Mrs. T. Morrison

What is Lent?

Lent is the forty-day season of fasting, special prayer and almsgiving in preparation for Easter. The name "Lent" is from the Middle English, meaning spring; its more primitive name was the "forty days," in Greek.

Make the most of this year's Lent by preparing for the season and entering in more deeply with time for prayer, reflection, and genuine encounter with Jesus.
