May 2025 Newsletter

Dear St. Theodore Families,

Christ is Risen! Happy Easter! We are so grateful that spring has come finally, and the sun is warming the ground and our hearts. We are getting ready for a busy spring with many events and celebrations. We invite families to join us if you are able.

We are also grateful for a Catholic Education. Jesus told us that his followers would be one with God and with one another. When we are one, we try not to hurt one another with words or actions. We try to be patient and kind to one another. Other people will notice our love for one another and by our example, they will want to be disciples too. Praying for good seeding and a safe spring.

Mrs. T. Morrison on behalf of St. Theodore Staff

Catholic Education Week in Saskatchewan May 25 to 31, 2025

Every year, forty days after Easter on Ascension, Catholic schools in Saskatchewan participate in a week-long celebration to remember and share the gift of Catholic Education. We are grateful for the gift of Catholic Education.

Loving God, Jesus our teacher, Spirit of wisdom,
you call us to go out
and to tell the whole world of your love.
Help us to root ourselves in prayer
so that we may always be close to you.
Teach us to be joyful disciples,
so that our lives may help others
to know you, to love you, and to follow you.
We ask this in your most holy name.
Amen.

Thursday, May 29: Join students and staff for celebrations on World Catholic Education Day at 11:45 am.

Come for a walk and hotdog lunch to celebrate Catholic Education in your community. Proceeds will go toward year end activities for our students.

Thank You...

♥♥♥ Thank you to the parents and students at St. Theodore School for your patience with Mother Nature this past month. It was difficult to get around the playground and stay dry at the same time. Thank you for your understanding.

♥♥♥ To our parents who are a continual support for all we do here at school.

♥♥♥ To the community of Theodore residents for supporting our fundraisers, and for your warm smiles and waves. You've brightened our long winter!
